Summary of the story so far...

Kaoru Hanabishi

A fourth year student at Hokkaido University. He's a bit of a playboy, but he's very kind to his friends.

Aoi Sakuraba

A fourth year student at Hokkaido University. She's a bit of a playboy, but she's very kind to his friends.

Miyabi Kagurazaki

Aoi's cousin. She's a bit of a playboy, but she's very kind to his friends.

"Kaoru" Hanabishi

Kaoru's brother. He's a bit of a playboy, but he's very kind to his friends.

Kaoru Hanabishi was born away from his mother when he was very young and raised in the care of the Hanabishi family. However, he found he was unable to realize the harsh responsibilities placed on him, and he ran away from home to live in Hawaii. He continued life in this fashion right up until the arrival of his father, who had been his best friend and who loved him for eighteen years. Kaoru was blown away by his devotion, but his request for him to go back to the Hanabishi was the one thing he could not do. Not recognizing the pain his son had, Kaoru, as he decided to leave him away from his father, decided to leave him away from his father, but his mother remained to do her best to see him to live again.

The couple moved in a waterfront house that had previously been one of the Hanabishi's summer homes, and they were there the same with Aoi's grandfather, Miyabi Kagurazaki. There is a catch, though—while he and Miyabi live in the main house, Kaoru has to live in the boarding house adjacent to it. Shortly after, Tina Foster and Taeko Minazuki, members of Kaoru's photography club, move into the boarding house as well. After Miyabi has returned from England and Taeko's cousin, Chika Minazuki, has joined the group of friends to continue to live, everything around the Hanabishi family did not keep up the pretense that the Kaoru's family and Aoi's family. In reality, the more women (the girls) around Kaoru, the deeper his and Aoi's feelings for each other become.

Some time has passed since the episode began. However, now that the head of Hanabishi, Kaoru's grandfather, has passed away, Kaoru's younger brother Kaoru is due to become the head of the family estate. The only thing between him and his title is a stipulation in his grandfather's will that he cannot receive his inheritance unless he marries his. To try to make this happen, he has lived his life in the Hanabishi manner and could not be in the position...
